Mobile: +41 78 603 20 81

## **PRODUCTION INFO**

IRONY OF FATE TOURING PARTY: 7 Ppl (5 Ppl Band, 1 Manager, 1 Merch)

## **GET IN / LOAD IN**

House Light-, FOH- and Monitor Engineers must be present at Load In Time! Tour Production or Stage Manager shall control the cueing of house lights in relation to the show. Promoter shall make arrangements for all lights not required by the local safety ordinances to be turned off during the performance. This especially applies to all clocks, scoreboards, advertising and concessions.

In addition, the stage area must be a clean, dry, and level surface and completely free of anything not needed for that days performance.

STAGE/RISERS/STAIRS: A Rolling carpeted sturdy drum riser 3m x 2m x .4m

BACK DROP: We are carrying a 3mx1,5m Backdrop

## **SOUNDCHECK**

Irony of Fate would like to have a soundcheck. If it's not possible we accept a line check (please inform the band's manager at least one week before the show.)

## **DRESSING / PRODUCTION ROOMS**

Promoter shall provide artist with a comfortable dressing room.

This room shall be clean, dry, well-lit, adequately heated or air conditioned, adequately supplied with working electrical outlets.

Room must be within easy access to private and "clean" lavatories with toilet seats.

There must be a facility with a PROPER SHOWER that can withstand hot water for the entire day. A mirror must be in the dressing room in reasonable size."TOWELS: 5 large bath towels + 5 normal show towels (all colors are welcome-peace!)

All towels MUST be pre-washed.

## **MERCHANDISE**

No concession!

## **VENUE**

We do not play in smoker venues!!!

## **SECURITY**

The only people allowed on stage during the performance shall be the artists, artist's crew, house stage crew, security and any person that has been given permission by the artist and/or it's crew

## **PHOTO/VIDEO POLICY**

All people and fans can take photos and videos as much as they want during the performance
